

# Upper School Student Visits

Experience an  
**OESian\* Day!**

call :

## First things first

We want you to experience OES for yourself. We think one of the best ways for a prospective student to learn what it's like to be a student at OES is to visit on a regular school day.

**So, get out your calendar and schedule your visit NOW!**  
Call Jennifer Bash @ 503-416-9379 or email [bashj@oes.edu](mailto:bashj@oes.edu).

## What to expect

**When do I arrive?** Your visit is a full school day. It will start in the Admissions Office where you will meet your student tour guide at **8:45 a.m.**

**What will I experience?** During your visit, you will have a chance to experience the excitement of learning in our small, challenging classes, to join us in the Dining Hall (our treat!), and to meet students and faculty. We will do our best to customize your day and pair you with someone who shares common interests.

**Will I have to interview?** During your day you will have a casual meeting with a faculty member to discuss the Upper School program, explore the course offerings and ask questions. This is your opportunity to tell us about yourself and discover your potential at OES.

**How long is my visit?** Your day will end at **3:15 p.m.** back in the Admissions Office. We will have a quick wrap up session to give you a chance to ask any unanswered questions.

## Becoming an OESian

**\*OESian** (pronounced o-E-zhen, rhymes with Parisian)

1: *adj.* Anything pertaining to Oregon Episcopal School

2: *n.* a person connected with Oregon Episcopal School.

**(By the way, ask your host about the Aardvark!)**

We are excited at the prospect of your applying to the OES Upper School. It is an exciting place to grow and learn. We hope your visit will be informative, but if you think of any questions, we encourage you to call the Admissions Office. We are here to help!
