FIELD TRIP PERMISSION FORM

Dear Parents,

Throughout the school year, field and athletic trips are taken by classes and teams to different places of interest. These excursions relate to the OES curriculum and program and are planned so that your student will be adequately supervised. In all cases, parents will be notified of the time, nature and place of each trip by letter or e-mail, in the divisional newsletters, or in published calendars or schedules. Trips are usually taken in OES school buses or vans, and at times in private vehicles driven by teachers or parent volunteers who have completed the OES driver training program..

If you are willing to let your student go on field and athletic trips this year, please complete this form and return it to the appropriate division office. **Only students with properly signed permission forms on file will be allowed to participate. Signed permission in advance is a prerequisite for a student's full participation in OES academic, extra-curricular, and interscholastic athletic programs.**

For all overnight trips, additional permission will be required at the time. In these cases, special OES forms will be sent home with trip information.
