

**International Boarding Student  
Local Adult Representative Form  
2009 – 2010**

All students at Oregon Episcopal School whose parents live outside of the United States must have a designated person or family that represents them who resides in the United States. We prefer to have the adult representative live in Oregon or the western part of the United States.

The adult representative must assume responsibility for the student whenever the student cannot stay in the dorms and cannot get home. This may be during Thanksgiving, Christmas or spring vacation when the dorms are closed. It may also be if there is a medical emergency and the student cannot stay in the dorms but cannot get home, or if the student is in disciplinary trouble and needs to be away from the dorms for a period of time. The adult representative will not be expected to assume financial responsibility for the student.
