

# *Why I give to the OES Annual Fund*

\* I give to the OES

Annual Fund because each and every day

OES strives to give my children a truly excellent

educational experience. Tuition alone is not enough to cover

the full costs of my children's education. Each year Annual Fund

dollars help bridge the gap, allowing the school to deliver the program

that makes OES so extraordinary. — Leslie Spencer, Current Parent &

Annual Fund Chair \* I finished reading the last book of the Harry Potter

series. As the series ended for millions of readers across the globe, I couldn't

help thinking how lucky I was to have experienced my own "magical" school

with OES. — Kathryn Halton Rebagliati, OES '90 \* The close relationships

teachers form with their students, the special attention our children receive,

the strong academic curriculum and the sense of community are just a few of

the OES "distinctives" that our children enjoyed and benefited so greatly

from. — Greg & Diane Morgan, Parents of Alumnae/i \* I give to

the annual fund because I know my gift nurtures our current

students, preparing them with the skills, knowledge

and values to fully realize their power

for good. — Pat Kelley, SHH '55

*Annual gifts go to work immediately, providing essential support to the operating budget for all aspects of academic, athletic and cultural life at OES.*

*Do your part for tomorrow by giving generously today.*
