

Birthday Books Lower School Library

To celebrate your child's birthday, you may have a book given to the library in his or her name. Birthday books are presented during your student's weekly library visit. All birthday books will have a gift plate noting the student's name and birthday. In addition, your child will be the first to check out the book and will come home with a helium balloon and special certificate. If your child has a summer birthday, we can arrange a special date to present the book (perhaps a half-birthday.)

To participate in this program, please print out this form, fill it out, and return it to the library. The cost of a birthday book is \$18. That amount may be charged to your child's account or you may send a check, payable to OES, along with the form. Please allow three weeks for processing.

When indicating your child's reading interests, the more information you give, the better! Let us know if he or she prefers fiction or nonfiction, picture books or chapter books, favorite authors and illustrators. If there is a special book you would like to purchase yourself to donate, please get in touch with the librarians to make sure we don't already have a copy.

Many thanks for all past and future contributions to the Birthday Book Program. With your support, our collection continues to flourish.
