A FEW FACTS ABOUT OES COMMUTER BUS SERVICE

Safety
- School buses are 9 times safer than private cars—national statistics show that school buses are the safest vehicles on our roads and highways.
- Outstanding drivers—because safety is the top priority of the OES transportation team, our drivers are screened, well-trained, licensed, and, most important, caring.
- OES vehicles are maintained to strict State of Oregon standards.

Dependability
- On-time pick-up and delivery—every school day, OES buses arrive on schedule to deliver students to class on time, and provide the same reliable service home after school.

Cost-Effectiveness
- Compare the cost—think you can’t afford the bus? It may be less expensive than you think. Check out the cost comparison between bus service and private car use below.
- Board at a group stop and receive a discounted fare.
- Have two or more of your children ride and receive an additional 10% family discount on all fares.
