Dear Aardvarks:

Your mission, should you choose to accept, is to infiltrate this highly attended, thoroughly entertaining event at Montgomery Park. Our intel shows that although OES prides itself on being Always Open, this event sells out and you purchased your tickets quickly to successfully complete your mission.

The identified purpose of Operation OES is to raise annual funds for our school to support programs that enhance our students learning experience. Upon successful completion of our 2015 mission, we hope to fund ongoing programs such as AASK and employee professional growth and development. We would also like to consider supporting projects such as: purchasing a new school bus, modernizing classroom furniture to create better opportunities for experiential leaning, and completing additional gym safety improvements.

To maintain your deep cover, you must arrive appropriately attired in your working undercover togs, flaunt your bid number at every occasion, silently take over the Wall of Wine, and generally add to the frivolity of the evening. Our inside information leads us to believe that attendees are generally there, surprisingly, to have fun. Report back what you observe, and be careful not to reveal your identity.

There are a few key targets without whom this event could never have happened. Behind the scenes, Cindy Plummer is one everyone clearly depends on, supported by exceptional leadership from Chair Lisa Kellogg and her Co-Chair Michelle Fitzhenry. How they manage to coordinate this mission and wrangle their “volunteers” is one of the secrets we hope to discover.

Report back immediately following the event. Our goal is to have the most successful auction ever—and with your focus and attention, it will be.

Sincerely yours,

Mo Copeland
YOU CAN BANK ON THE AARDVARKS!
FROM: The Board President
TO: The OES Community
ASSIGNMENT: 29th Annual Auction
Operation OES: Aardy’s Mission Possible
DATE: March 14, 2015
LOCATION: Montgomery Park

Dear Friends,

I need your help with a serious matter. I am assigned to this case and I cannot solve it alone. I NEED your help!

Countless hours have gone into the planning of this mission. Auction chair Lisa Kellogg and her co-chair Michelle Fitzhenry, along with many volunteers, have put in countless hours getting stuff, putting stuff together, making stuff happen.

OES continues to deliver a world-class education to our children, but they cannot do it alone. Over the years, the OES auction has raised funds that support this very important mission by providing funding for professional development, enhancing vital resources at our school, and continuing to improve our physical campus. But these things cannot continue to happen without your acceptance of this mission. I beg you to accept!

Your mission, should you choose to accept it, is as follows:

1. Connect with friends
2. Celebrate OES
3. Buy lots of stuff (not just a little, but a lot)
4. Raise your paddle (not just in the auction but during the paddle raise)
5. Make a positive difference

This message will self destruct.

Sincerely yours,

Kate B. Lieber
(AKA Kate B. Lieber)
Mr. Hunt, this isn’t mission difficult, it’s mission impossible. “Difficult” should be a walk in the park for you.

— Mission Commander Swanbeck / Mission Impossible
I welcome you with great passion and delight to the 29th annual Oregon Episcopal School Auction. This year’s auction is operating under the code name, OOES—Operation Oregon Episcopal School: Aardy’s Mission Possible. Our Secret Agents have accepted their mission from the OES Secret Service and have been working diligently on their assignment for months. Tonight is the night that our secret mission is exposed.

Our Secret Agents have used their highly honed skills and expertise to make tonight perfect. They have devoted themselves to our mission. The parent volunteers have given hundreds of hours of their time to develop tonight’s amazing event. Their devotion to the mission is second to none. I thank each and every one of them so very much. Get ready for an auction full of excitement and adventure!

My co-chair, Secret Agent Michelle Fitzhenry, has a brilliant mind and a generous heart and has been beside me every step of the way. Together we worked under the code, “In union there is strength” and completed our mission to bring you a special night devoted to raising funds for our wonderful school. Not only did I have the best Secret Agent by my side, but also I now have a lifelong friendship that I will forever cherish.

I would also love to thank Cindy Plummer, our Auction Coordinator. I have had the privilege of working with Cindy for the past two years. I will forever remember all the words of wisdom she taught me and the many laughs we shared. Cindy, you are the “Bond” that holds our Agents together.

No mission would succeed without the most important assets in the world: family and friends. My husband, Jordi, has always looked at me with task in hand and believed with his whole heart that I will succeed. Chairing this auction was no exception. Staring deep in my eyes he said, “You will do a great job!” I responded quickly with, “Are you sure?” Thank you babe, I could have never done this without you. I love you to the moon and back!

A very special thanks goes out to my little ones, Jordi Jr, Bella, and Sebi! Thank you for your patience and support. Each of you understands the importance of giving back to our communities, and you encouraged me every step of the way. Big hugs and kisses to all of you!

And to all of my friends, thank you for always asking what you could do to help or being an attentive listener when I needed someone to review ideas with. Without each and every one of you, we would not be where we are tonight.

And so, here we are. The Secret Mission is no longer secret and is now yours to accept. Your mission, should you choose to accept it, is to raise your bidder cards high and often. Don’t let the competition trick you with their marksmanship! Each of us has a bond, a real bond to OES, and tonight is your night to review your catalog carefully and develop your bidding strategy. I welcome all of you to eat, drink, mingle, and most importantly... BID, BID, BID!

Remember, for our beloved OES, the World is Not Enough. Let’s make this a Mission Possible.

Shaken, not stirred,

Lisa H. Kellogg

PARTNERING for the Community.

U.S. Bank is committed to our local schools and organizations that work to improve the quality of life for everyone, especially our students. We believe strong students build a stronger future for our community. That’s why we are proud to partner with Oregon Episcopal School preparing students for a higher education and lifelong learning.

Because when our schools succeed, everyone wins!
### Registration

Every guest receives a bid number upon registering after arrival on the night of the auction. We strongly encourage you to register with the credit card you would like to use for your purchases (VISA, MasterCard, Discover, and American Express). This significantly simplifies and expedites Check Out for you and greatly reduces the administrative burden for OES.

Only registered bidders may participate in the auction.

### Wall of Wine

The extremely popular Wall of Wine returns this year to Aardy’s Mission Possible. The auction committee has procured over 100 bottles of wine through donations from OES friends, family and supporters. The Wall of Wine features wine valued anywhere from $20 to over $100. Purchase a paper bag-wrapped bottle and find out what fun wine you have purchased!

Pay $20 for one bottle or $50 for three bottles. Bottles will be marked with your bid number and will be available for pick up at Will Call.

_Super Silent, Class Projects, Job Shadows_

To bid on a Silent Auction item, clearly write your name and bid number on the bid sheet at the specified level you want to bid for the item. If you are out-bid, you may re-bid at a higher level. Bids may continue to be entered until the close of that Silent Auction section. The last and highest bid at the close of that Silent Auction section shall win the item. The closing time for each Silent Auction section is posted and announced. Upon the closing of a Silent Auction section, a Silent Auction volunteer identifies the winning bid for each item. This person has the final authority to determine the winning bid and this decision is final.

To determine if you are the winner of a Silent Auction item, proceed to Check Out after 9:20 p.m. and request an accounting of your purchases. Please do not remove any items from the tables. Volunteers will collect your items for you once you present your receipt at the Will Call area at the end of the evening.
Class Projects
Bidding closes at 6:45 p.m.

Class Project bidding procedure is the same as in the Silent Auction.

Easel Parties
Bidding closes at 8:00 p.m.

To sign up for an easel party, clearly write your name and bid number on the Easel Party signup sheet. You may reserve as many spaces as you want for a specific party as long as there is space available.

Live Auction

To bid during the Live Auction, hold your bid number high until the auctioneer acknowledges your bid. The amount of your bid is the amount being called out by the auctioneer at that moment. If you are the winner of a Live Auction item, the auctioneer announces your bid number as the bid winner. A volunteer asks you to sign a “runner sheet,” which validates you as the bid winner. You must sign this to validate your acceptance as the bid winner.

How to Pay

You must pay in full for all purchases during the night of the Auction.

At Registration, we encourage you to register with the credit card you would like to use for your purchases (VISA, MasterCard, Discover, or American Express). This will significantly simplify and expedite Check Out for you and greatly reduce the administrative burden on the auction team. However, OES Auction does accept checks, cash, or credit cards at Check Out. You may pay for Paddle Raise donations of $1,000 or more with stock transfers.

Check Out opens at 9:20 p.m. If you must leave before 9:20 p.m., please let the Check Out staff know approximately 15 minutes prior to your departure and they will arrange for your invoice, payment, and pickup.

Prior to leaving for the evening, please proceed to Check Out to review your final invoice and complete payment. Payment can be completed by either confirming billing to the credit card you provided during Registration or by paying with check or cash. Credit cards will be charged on Friday, March 20, 2015 to allow adequate time to review purchase data for accuracy. Once payment is completed, a receipt is provided showing all the items purchased during the evening. Then, please proceed to the Will Call area to pick up your items.

If you check out before all items are posted to your account, a revised and complete invoice of your evening’s purchases will be sent to you the following week.
Merchandise Pick-Up / Will Call

All participants are requested to pick up the items they have won at the conclusion of the auction. After paying for your purchases at Check Out, please proceed to the Will Call area and present your paid receipt in order to pick up your items. Will Call opens at 9:20 p.m.

Each person is responsible for verifying that they have received all of their purchases. Lost items or certificates cannot be replaced. Will Call closes at 10:30 p.m. Unclaimed items will be returned to OES for pick up.

Liability

ALL SALES ARE FINAL.

OES is not responsible for the products or services available through the Auction. All products and services are provided “as is,” without any stated or implied warranties or conditions of merchantability, fitness for a particular purpose, title and non-infringement. To the maximum extent permitted by law, in no event shall OES be liable for any direct, indirect, punitive, incidental, special, consequential or any other damages whatsoever arising from the purchase or use of any product or service purchased through the Auction. To the extent OES is deemed liable for any product or service purchased through the Auction, OES’s liability shall be limited to the purchase price paid for the product or service. In the event that a product or service purchased through the Auction cannot be delivered, the full purchase price shall be refunded, which shall be the maximum extent of OES’s liability for failure to deliver the product or service. Unless otherwise noted or prohibited by law, all certificates purchased at the auction expire March 14, 2016.

Tax Deductibility

Auction purchases may be tax-deductible to the extent allowed by law. Please consult your tax advisor as individual situations may vary.

Over the past 11 years, the OES Auction has raised more than $3 million to fund special projects that enhance our campus and the everyday experience for all our students.

The Paddle Raise is an easy way to support programs that enhance our children’s learning experience. The proceeds from this portion of the program contribute significantly to the success of the auction and provide additional funding for Special Initiatives. For example, the 2014 Paddle Raise helped fund the new Theatre Arts Lab in the Upper School, new Scoreboards for the Turf Field, Gym and SPARC, a new ceiling in SPARC, and the new Science Labs in the Middle School. The “wish list” of things we would consider purchasing with 2015 funds includes a new school bus, modernizing classroom furniture to create better opportunities for experiential learning, and completing additional gym safety improvements.

During the Paddle Raise simply hold your bidder number high for the gift that feels right for you.

Please raise your paddle and contribute generously to the vision of keeping OES a leader in education.

Mission:
Imagine greeting spring with a burst of color that cheers up those sometimes chilly Portland days. With this planting of tulips and other spring-flowering bulbs like daffodils, crocuses and snowdrops, you will have a spectacular display in your garden or any large parcel of land where you think it is needed most. Best of all, you can enjoy reruns of this incredibly joyful welcoming of spring for years to come.

Industrious Bond partner-in-crime, Peter Langley, OES Biology Teacher, will lead his special task force of OES students to prepare your garden for a beautiful array of spring-flowering bulbs, taking your color and varietal preferences into consideration. Peter will consult with you to determine which bulbs, and where and when to plant for the best results and maintenance of the bulbs.

Restrictions:
Planting will be scheduled on a mutually agreed-upon date.
Bulb purchase limited to $500.
Planting site must be within a 30 mile radius of OES.
Expect to schedule planting in November 2015 for blooms in spring 2016.

Operation: LICENSE TO THRILL—A DAY AT THE RACETRACK

Mission:
Spend a day at Oregon Raceway Park (ORP) in Grass Valley, Oregon, with OES parent, Christopher Bender. Christopher’s 007 driving experience includes former lead instructor for the Oregon Region of the Porsche Club of America, part-time professional driving coach, and the owner of the dark gray street-legal race car you have likely seen flashing through the OES parking lot at 3PM on sunny days.

The winner’s full day of conceptual and practical instruction on the art of performance driving will include a private, covert adventure in the passenger seat beside Christopher for a few, one of a kind, thrilling sessions around the track—in a car with over 450 horsepower hauling only 2000 pounds of weight. This will be one wild ride!

What’s more, you can experience a few sessions on the track in your own personal car, with or without Christopher coaching from the passenger seat.

Contrary to popular impression, driving a car at increased speed is all about fitness and skill—and as Q would tell you, it takes years to master. It is mentally engaging and delightfully challenging. Most people come away from the track, smiling ear to ear, with strong aspirations of returning soon.

Restrictions:
Participation will require the signing of waivers to absolve ORP, Palatov Motorsport and Christopher Bender of liability.
Event will be scheduled concurrently with one of Palatov Motorsport’s private testing days at ORP.
For safety and liability reasons, winner will be unable to drive Christopher’s car on the track. Winner may only drive personally owned vehicle on track.
Most sporty/sports cars can be driven safely on track, but all cars must pass a safety inspection and mechanical problems and repairs are the sole responsibility of the owner.

Mission:
It has been suggested that more than half the world’s population has seen at least one of the films in what has become the world’s longest-running movie franchise, a series in which 007 has fought more than 130 villains and femme fatales, driven five different models of the Aston Martin, visited more than 50 different countries, and has been armed with more than 100 gadgets and guns.

Tonight however, only one winner, together with 19 friends, will join Lisa Kellogg and Michelle Fitzhenry, agents L & M, (with their husbands, Jordi and Jim) for a Vesper Martini and Bollinger Champagne Reception at Cinetopia in Progress Ridge. There, you’ll step into your private living room theatre to watch the newest Bond movie—SPECTRE. Come dressed as your favorite Bond, villain, femme fatale, or Bond girl!

Operation: ACTIVE ENDEAVOR: BEND TO THE BEACH—SKI TO SEA

Mission:
Enjoy up to six nights at a beautiful, three-bedroom, beachfront property with amazing panoramic views from the living room, kitchen and loft, located on a quiet cul-de-sac just north of Lincoln City. You have handy access to a sandy beach, great for playing, and walking. During your visit, be sure to use your gift card to Kyllos Seafood Grill in Lincoln City. Typically used only as a private family retreat, this is a perfect getaway for a large family and friends.

Then head towards Bend for a seven-night stay in a beautiful four-bedroom home in the gated Broken Top Golf Community. Located on the 9th hole across from the picturesque Broken Top clubhouse, this home is a 20-minute drive from the Mount Bachelor Ski Resort. With vaulted ceilings, large windows, multiple fireplaces, and a gourmet kitchen, you’ll feel a sense of warmth and luxury, complimented by the beautiful views of the golf course and nature preserve. This home is perfect for one to two families to enjoy a week of skiing, golf or just exploring all that Bend offers. And during your stay, enjoy up to $250 in dining credit at Broken Top Club after a round of golf for four at Broken Top Golf Course, Bend’s premier, private golf club designed by Tom Weiskopf and Jay Morrish.

Restrictions:
Lincoln City home sleeps up to eight people and is available to auction winner anytime through December 2015. No smoking, no pets.

For the ultimate Bond fan, here’s a dream itinerary for a long weekend. Together with Captain Jordi Kellogg and First Mate Lisa, your party of four adults will set off aboard the “Cetacea,” a 42-foot Lagoon Catamaran and your home for three nights, from Shoreline Village Marina in Long Beach, California to the island of Catalina, where you will moor in the harbor and experience the beauty of the island.

There is no need for the Bondola on this trip, as the island offers many activities and dining options. Like many of the aquatic marine mammals of the order Cetacea, including whales, dolphins and porpoises, the winner and their guests can enjoy paddle boarding, windsurfing and snorkeling, or just relax the day away on board your private catamaran. As you plan your days, remember breakfast each morning and cocktails each evening are included with Jordi and Lisa aboard the Cetacea.

Raise your paddle now because on Friday, October 16, 2015, the lucky winners will enjoy cocktails and heavy hors d’oeuvres, while watching the Best of Bond Flicks in the screening room at Hotel deLuxe, a boutique hotel in downtown Portland. Dress as your favorite Bond, villain or femme fatale, or get out the sparkly baubles and come as your favorite Bond girl for the evening...

As any dedicated James Bond fan knows, all 007 films regularly attract huge audiences on broadcast, which, incidentally, the networks usually reserve for holidays and Christmas. Coupled with those screenings, and the advancement of technology, the market is bigger than ever for James Bond films. But the “Best of Bond” night is available for only 100 guests!

James Bond, the quintessential well-dressed English spy, epitomizes style. On Saturday, May 9, 2015, your child and their date will travel in style to the OES Prom 2015.

Prepare for the day by pre-ordering his tuxedo at Mr. Formal and contacting the Beaverton Florist for the corsage and boutonniere. Then, on the big day, she can head off to the Blush Beauty Bar for a “Shirley Temple,” 30-minute make-up application. When she’s done, she and a girlfriend can head over to Blowout—A Blow Dry Bar on NW 12th for two fabulous hair blowouts.

Meanwhile, before the prom festivities begin on Saturday, May 9, secret agent (and US teacher) John Holloran will photograph your 2015 Prom group and their families at the home of the buyer or at a mutually agreed-upon meeting place.

Once the photos are done, head downtown James Bond style, in a black Lincoln eight-passenger stretch limo for a delicious dinner at Gracie’s in the Hotel deLuxe. The limo is theirs until midnight, giving them ample time to get back to home base when the dancing is done.

Restrictions:
8 passenger stretch limousine service is available only on May 9, 2015 from 6PM – midnight. Dinner at Gracie’s is only available on May 9, 2015. Gratuity is not included in dinner donation.

Operation: EVERYTHING, NOT NOTHING, IN SEATTLE

Mission:
The Q branch has provided you the perfect Bondmobile getaway car—and a getaway indeed you’ll have on this mission! The winner of this package can pick up your Porsche Cayenne or Panamera from Sunset Porsche Audi on Friday at noon, and take off for a long weekend in Seattle, designed for two couples. Even James Bond would say there are few missions better than this, especially once you reach your destination, the Hotel Deca, a Noble House Hotel located in the University District of Seattle. The hotel is just minutes away from such landmarks as the Burke Museum of Natural History and Culture, the Henry Art Gallery, the Drumheller Fountain, and the University of Washington.

Settle into your rooms, and then it’s time for a double agent date at Seattle’s best kept secret, The Ruins, a private dining club. Here you’ll find yourself at a very understated, yet magical place for an exclusive dining experience—this is a place where James Bond would easily find himself after a day of adventure.

After a night of dining, rest up for the next day’s adventure in Woodinville, Washington, where you will infiltrate Barons Winery for a clandestine tour and tasting with their top agents—the winemaker or general manager. Then speed on home where you can take a spin around town before turning in the Bondmobile on Monday.

Restrictions:
Dinner at The Ruins must be scheduled on a mutually agreeable date with donor in advance of trip. Club is closed Mondays. For photos and additional information, please visit www.theruins.net.
Sunset Porsche: Must be 25 years old, with a valid driver’s license and proof of full insurance coverage for use of vehicle. Subject to vehicle availability, time and date to be mutually agreed-upon, maximum travel distance of 600 miles. No smoking or pets allowed. Original hotel certificate must be presented at check-in and is not redeemable for cash.

Operation: NO SWIMMING WITH THE SHARKS AT THIS MIDDLE SCHOOL DIVE-IN POOL PARTY

Mission: The lucky winner of this offering can host their own private party for their favorite 6th, 7th or 8th grade OES Middle School class at the home of Kate Lieber and Monique Matheson.

While sharks figure in many Bond movies as the villains, they will not be on the guest list for this fun-filled event. Instead, your tween and teen guests can swim in the pool while watching a favorite movie and have lots of fun. Make it a birthday party, graduation party, surprise party or a party for no reason at all! Two lifeguards will be on hand, plus there will be delicious food aplenty, with Jimmy John’s Gourmet sandwiches. So raise your paddle high for this party extraordinaire, definitely a summer 2015 highlight.

Restrictions:

Operation: GRAND HOTEL—HOTEL SPLENDIDE, INDEED!

Mission:
Your mission, should you pursue it, is to win this golden opportunity to stay at the original Grand Hotel on Mackinac Island, between the upper and lower peninsulas in Michigan. This is truly America’s version of Bond’s Hotel Splendide! Upon discovering this gem, Q knew that Bond would bid high for an adventure to this landmark hotel which touts its original architecture and charm, located where cars are verboten; and horse and carriage, and bicycles are the current modes of transport.

We all know that “living the Bond lifestyle” conjures up imagines of the very best things life has to offer, and you’ll find it all here when you check in for you three-night stay in the Grand Hotel’s Presidential Suite. Hosting famous guests since 1887, this hotel is the world’s largest summer hotel where you can do it all—or nothing at all.

Your suite includes two bedrooms, each with two queen beds and a parlor between them—and a balcony overlooking the Straits of Mackinac. Amazing views abound.

Be prepared for a five-course dinner upon arrival, plus a full breakfast, Grand luncheon buffet and a five-course meal on the second and third days as well—and to be prepared for your journey home, you’ll have one more full breakfast—for all members of your visiting party, up to eight in total.

Restrictions:
This package is non-transferable and non-refundable. Tax, local assessments and baggage handling charges apply. There is no tipping at the Grand Hotel. Spending Christmas 2015 on the north tip of Key Largo, Florida, vacationing Bond-style at the Ocean Reef Club, is the ideal way to count down to 2016. Soak in your own private paradise, where your family will feel the comfort, security and tranquility of this idyllic tropical atmosphere.

This house is all about location! You’ll be enjoying this cozy three-bedroom Florida home by the beach. It is perfect for families looking to be close to all the action, and it has easy access to the beach, pools and all that Buccaneer Island has to offer. With a master suite, bunk room and twin bed, your kids will have their own places to rest their weary heads. Plus, there’s a fold-out couch if needed. There are two full bathrooms, a living and dining area, and a family room. If you have children, this house is ideal. It is equipped with toys, and cribs are available. There are three televisions, Wi-Fi and multiple iPod docks. Enjoy the sunset on the front porch while grilling up dinner. There’s also a big yard and a private parking space.

This house is located right next to the Ocean Reef Club Inn and Buccaneer Island. It is also close to many places to eat and drink including the Ocean Room and Reef Lounge, the Islander and the Pool Bar and Grill. Enjoy a short walk to Fishing Village for more restaurants and shopping as well.

Operation: FOR YOUR LIPS ONLY—12 MONTHS OF CROWLEY WINE

Mission:
50 years of Bond and 24 Bond movies equals 32 bottles of Crowley Wines and 12 months for you to enjoy them! Agents Evan (and Alum and Board Member) and Rebecca Roberts, along with co-owner and special agent Tyson Crowley, invite you to bid on a special year of wine. This is the only way to get security clearance in order to obtain secret futures from the winery.

Start off with two bottles of 2012 Crowley Wines Entre Nous Pinot Noir to take home when your evening mission is complete.

For the rest of the year, you will receive the following at a pre-arranged, secret drop location:

Spring: 6 bottles of Crowley Wines 2013 Willamette Valley Pinot Noir
       6 Bottles of Crowley Wines 2013 Willamette Valley Chardonnay

Summer: 4 bottles of Crowley Wines 2014 Pinot Blanc

Fall: 6 bottles of Crowley Wines 2013 Entre Nous Pinot Noir

Winter: 2 bottles of Crowley Wines 2013 Dundee Hills Pinot Noir

Crowley Wines 2013 Single Vineyard bottlings:
2 bottles of Four Winds Chardonnay
2 bottles of Gehrts Vineyard Pinot Noir
2 bottles of La Collina Vineyard Pinot Noir
2 bottles of Four Winds Pinot Noir

Just to keep you totally engaged in the mission, plan on a summer operation where you and four other agents of your choice will rendezvous with the Roberts at the winery in Newberg. All agents will participate in a select barrel-tasting of the 2014 Pinot Noirs (and some of the 2013’s if they have not all been bottled) with Agent Crowley’s namesake, Agent Tyson Crowley. Your reward? A gourmet picnic and dessert at the winery provided by the Roberts including, of course, a little more Crowley Wine.

Operation: BE THE MAN OR THE WOMAN WITH THE GOLDEN GUN

Mission
No wet suits required; real ducks only on this duck hunt. Bond would approve of this guided duck hunt, even with Goldfinger on the loose. Join OES Trustee and Master Hunter, Agent Malcolm McIver, to live the magic of pursuing the wily mallard in some of Oregon’s muddiest, duckiest swamps. Like James Bond, you will don some camo, set out the decoys, set up a blind, fire the shotgun and watch the McIvers’ black lab retrieve fallen fowl. Guns, parkas, waders and all the spy gear needed for this hunt are available (size medium) for those lacking the appropriate items.

Past participants in this mission have included OES parents and agents Kate Lieber, David Willmott, Elizabeth Gewecke, Adam Kobos, and our own M—Mo Copeland.

Mission
Bond’s car was his own personal hobby. With the help of Q, it became more than just a car. It was a Bondmobile. Your mission is to secure this assignment before Homeland Security does. This spot will be coveted by all Agents for the next school year as construction of the new OOES Lower School headquarters begins and chaos ensues. Isn’t the peace of mind in knowing your spy car has its own spot worth the money? And as a bonus, one premium car wash at Kaady Car Wash is included.

Job Shadow:

Job Shadow with

**DR. KEVIN MURPHY**  
**AT SPORTS MEDICINE OREGON**

This job shadow is for a child who has interest in sports and medicine and is wondering how to get into medical school.

This is a two-day journey into what it is like to be an orthopedic surgeon, with OES parent Kevin Murphy at Sports Medicine Oregon. Dr. Murphy has a special clinical interest in the care and rehabilitation of injured athletes of all ages. He is currently the head team physician for the Portland Timbers professional soccer team. He also provides orthopedic care at the Nike Sports Medicine Clinic and several local high schools. Your first day with Dr. Murphy will include discussions regarding being a surgeon in today’s society and how to best prepare yourself to get into medical school and the residency of your choice. You will then get to observe surgery, debrief with Dr. Murphy, and receive a detailed tour of the clinic and operating room. On the second day of the job shadow, you will meet Dr. Murphy at his practice and receive a tour of the Timbers’ training facility and leave the job shadow with two Key Bank Club seats to a Portland Timbers’ game and parking pass.

Restrictions:

*Available for an 8th-12th grade student on a mutually agreeable date.*

Thanks to:

*Kevin and Laura Murphy*

Job Shadow with

MARK FITZLOFF
AT WIEDE+KENNEDY

This job shadow will take your child into the creative, empowering world of advertising.

Spend a day with OES parent, Mark Fitzloff, Global Executive Creative Director at Wieden+Kennedy. The day will start with a tour of Wieden+Kennedy’s impressive offices in downtown Portland. You will have the opportunity to mix with all sorts of creative people including advertising gurus as they work to create their next big campaign for brands such as Nike, Old Spice, Coca-Cola, Facebook and many more. See how a successful advertising agency works from the inside out—if you are creative, then this job shadow is for you!

The Portland Skyline  
Ms. Erickson and Ms. Tharp  
Pre-K Class Project

The children of Ms. Lauren and Ms. Colesie’s Pre-Kindergarten class have funneled their unbridled energy into their own whimsical depiction of the Portland skyline. Each child selected a bright color of acrylic paint and used their sweet four- and five-year-old fingerprints to complete a visually stunning landscape of buildings and bridges that mark our unique city. A truly collaborative work of art, each student learned first-hand how the whole is truly greater than the sum of its parts!

Touched By An Aardvark  
Ms. Bridgnell  
Kindergarten Class Project

Ms. Bridgnell’s Kindergarten students have collaborated to create an artistic masterpiece on gallery-wrapped canvas. Inspired by the OES tagline, “Always Open,” the children have woven together their individual fingerprints to create this beautiful expression of togetherness in the shape of our beloved mascot, the Aardvark. Each student is represented by a single color, and combined, these colored fingerprints yield a piece of work that is sure to bring joy and a sense of community to any home.

Child Art Tiled Mirror  
Ms. Burton  
Kindergarten Class Project

The children in Ms. Burton’s Kindergarten class used black ink pens to draw pictures on ceramic tiles of things that grow. They painted their tiles with watercolors to enhance their ink drawings. The completed tiles were affixed to surround the frame of a mirror. The children have been talking about things that grow in the classroom and this project is a reflection of their learning.
Sticking Together
Ms. McAuley
Kindergarten Class Project

Our project unites three favorite explorations of Ms. McAuley’s kindergarten class: nature, creating with yarn, and getting to know each other’s inside stories. Working together, we collected a variety of sticks from the OES wetlands, observing their unique markings, curves and branches. Each student wrapped a chosen stick with yarn, taking care to allow a bit of the stick’s “inside story” to show through. The sticks were then arranged together and displayed in a shadow box frame with a linen background to create a beautiful piece that represents each child individually and the class as a whole. The framing was donated by Village Frame & Gallery.

The Dragonfly
Ms. King
Primary Class Project

A wood mosaic hand-painted dragonfly was created by the Primary class. The dragonfly is their class name this year and the mosaic is completed by an 11” x 17” frame.

Nature Inspired Collaborative Wall Art
“Wood Sticks — Bringing the outdoors in...”
Ms. Eastman-Brown
First Grade Class Project

Using elements collected from nature walks (sticks, twigs, beaver chips, leaves, rocks, shells, pinecones, moss, berries), each kid uses their own imagination to create an unique one of a kind art piece showcased in a beautiful shadowbox to express the love of outdoor explorations.
**OES-OPOLY**  
Ms. Kucera  
First Grade Class Project

Family Game Night is about to get even better! Love Monopoly? Love OES? Then you will love OES-OPOLY! This awesome new version features all your favorite places, people, and things about OES! So unplug, make some popcorn, and gather the family around the table for the best game night you have had in years!

This is a limited edition game with original art by Ms. Kucera’s First grade class and is sure to be a hot item on auction night. Use all your spy gear to get to the OES-OPOLY display and let the bidding begin!

**Set of 20 Hand-Painted Appetizer Plates**  
Mr. Whitmore  
First Grade Class Project

Each 6” square porcelain appetizer plate was individually hand-painted in a geometric pattern. The students and teachers chose a color combination and pattern to work with. The plates are monogrammed on the back so you will be able to credit the artist’s fine work. These plates will be the hit of your next cocktail party.

The paint is food safe and dishwasher resistant if placed in the top rack.

**POP Art: Portland, Oregon Places**  
Ms. Blake  
Second Grade Class Project

Mrs. Blake’s Second Graders have created original watercolor works to reflect their Portland Project Places. These original pieces were then printed and transferred to wooden blocks. The blocks have been mounted and framed to create a collaborative work of art that not only expresses the originality of its artists, but also the diversity of our beautiful city.
Portland Places Block Print Project
Ms. Griffin
Second Grade Class Project

Inspired by their hard work in the Fall, this year each student in Ms. Griffin’s second grade class has drawn, etched and block printed their special Portland Place. These prints have been matted, combined into a collage, and framed in a hand-made frame. The result is stunning.

Portland Bridges Dessert Plates
Ms. Schilling
Second Grade Class Project

Ms. Schilling’s second graders chose their favorite Portland Bridge and re-created it in a black line drawing onto a beautiful individual white dessert plate. The plates were glazed and fired for a sophisticated finish that will add character to any home! Package includes a set of 18 plates.

Not Those Traditional Nesting Dolls
Ms. Baker
Third Grade Class Project

Russian Nesting Dolls are not just pretty toys, they also have that great balance of charm and mystery. Ms. Baker’s third graders used their creativity and imagination to breathe life into them! The set of fifteen blank dolls has been turned into historical characters: explorers, pioneers, Native Americans and fur trappers. The largest doll is decorated by eighteen circles (one for each of the third grade artists); the circles represent Native American totem symbols. Each doll is finished by a few layers of clear lacquer which protects art work from fading and brings out the colors. This set is a truly unique, one of a kind piece of art that will add warmth to any interior and put a smile on anyone’s face!
Handcrafted House
Ms. Hunger
Third Grade Class Project

We have created this wooden architecture and tailored it to meet your pet baby’s needs and desires. This bunk bed doghouse is a functional furniture worthy of display in your favorite room. The enclosed crate on the bottom gives your pet the comfort and protection he/she desires to feel safe. The top is a daybed for relaxing and watching television. We know you have invested so much time in training, feeding and loving your pet. Now is the time to reward them with their own little piece of real estate to call home.

Is your family filled with kids but no pets? Children love giving this house to their favorite doll/toy and getting lost in play for hours. How would you like to use it? Either way you would be helping our school make a difference in the lives of the students, teachers and parents.

Hand Painted Chess Set with Myrtle Wood Box
Ms. Mounsey
Third Grade Class Project

“Chess is played with the mind and not the hands.” (Renaud and Kahn). While this is a famous and largely true statement, it is the hands that brought this chess board to life. Seventeen children from Ms. Mounsey’s classroom were given two tiles and one chess piece to make their own. This set represents just how individually creative our children are and is an example of how the whole is greater than the sum of its parts.

Hands Around the World
Ms. Narramore
Fourth Grade Class Project

This lovely art piece was created by the fourth grade students as they learned about the daily lives of children from the far corners of the earth. Each student designed a hand related to their country of study using patterns, symbols and motifs that communicate something about their research. Each individual hand was then brought together in this ceramic art piece as a symbol of international unity.

Reach For The Stars
Ms. Akehurst
Fifth Grade Class Project

“Every great dream begins with a dreamer. Always remember you have within you the strength, the patience and the passion to reach for the stars, to change the world.”
—Harriet Tubman

Ms. Akehurst’s students beautifully capture the optimism and enthusiasm of dreaming big in this colorful collage. In this wonderful art piece, each student in the class is represented by their own uniquely decorated hand tracing. Hang this in your home and your family will be inspired on a daily basis to stretch, to inquire, to collaborate, and to remain Always Open.
Our Constitution: Ideas about Independence and Freedom
Ms. Busick
Fifth Grade Class Project

Ms. Busick’s fifth graders are making a very special print that will be framed. Letterpress printer, Tracy Schlapp, with Portland Studio, cumbersome multiples, will be helping to capture ideas from the class constitution and from their studies of the Revolutionary War, such as responsibility, community, independence and freedom. The ideas and words will be printed on a vintage proofing-press with both wooden and metal type.

Class Memory Book
Ms. Williams
Fifth Grade Class Project

By June, fifth grade will be just a memory, but the good times can live on through this class photo album. In it you will have a collection of interviews with each classmate, photos and memories of the year’s adventures, all bound in a hard-cover book. A treasure for years to come! (Delivery in June 2015 so all fifth grade events can be included).

**Olive Oil Tasting**

You and your party of 12 will enjoy the unique experience of tasting olive oils from locally grown olives, paired with wines from Durant Vineyards. Owner Paul Durant will discuss the growing of olives and the wines as you enjoy this unique tasting opportunity. Take home a basket of samples tonight.

Located in the heart of the Oregon wine country, the latest agricultural venture is growing olives. Starting in 2005, the Durant family planted a small olive orchard at Red Ridge Farms and has been adding to it every year since. Combined with this, the Durant family has been cultivating and harvesting fine wine grapes since 1973. The grapes are provided for select wineries in Oregon, as well as used to produce Durant estate wines. The Durants have focused on producing premier Pinot Noir, Pinot Gris and Chardonnay.

Come spend an afternoon at the Oregon Olive Mill and learn about the history of olive oil and olives in Oregon. Then, following a tour of the mill, you and your guests will attend a private olive oil- and wine-tasting/pairing.

This event will be held at the Oregon Olive Mill, 5510 NE Breyman Orchards Rd., Dayton, OR 97114.

This package includes transportation to the Oregon Olive Mill/Durant Vineyards in Dayton courtesy of ecoShuttle, an eco-friendly charter bus and commuter shuttle service.

Dates for tasting and transportation are to be mutually agreeable.

11th Grade Basket—Making Memories

The 11th Grade Parents would like to offer you “Making Memories,” a family beach vacation. The time you spend together as a family will slowly be replaced by sports tournaments, music recitals, and homework. That’s why we want you to enjoy a long weekend at the Inn at Spanish Head in Lincoln City, so we have included a $400 gift certificate. The rooms all have kitchens and some have extra bedrooms so that you will be guaranteed a comfortable stay with your family.

Our basket includes beach towels, games, sand toys, glass floats, shells, saltwater taffy, and a beautiful shell photo frame. Everything you will need for a great trip!

To enhance your trip, we have included several gift cards. You may want to visit the Lincoln City Outlet mall, so we have $50 cards for Nike, American Eagle, the Gap, Old Navy, Starbucks and Shell gas.

We hope you enjoy watching the waves, walking on the beach, searching for shells and floats, dining together as a family, and relaxing inside with games and movies.

Make it a weekend to remember!

Three Day Central Oregon Getaway

You and your nine guests will enjoy three days and two nights at a luxurious private Sunriver home, 16 Camas. This newly built Sunriver vacation rental is packed with amenities like a pool table, Ping-Pong table, complimentary bicycles and a private hot tub on the back deck. There is plenty of space for up to ten guests, and your group will love the special touches in this home, like the lodge-style decor and expansive vaulted ceilings in the great room. Located in a central yet private area, this Sunriver vacation rental is within short walking or biking distance to Fort Rock Park and the SHARC, Sunriver’s fantastic aquatic center. 16 Camas is a single level home with four bedrooms (including two master suites) and three full bathrooms. The living room is a great room concept—open to the kitchen and dining area—with vaulted pine ceilings and a wall of windows to let in the beautiful Central Oregon sunshine. The kitchen is stocked with most anything you could need, and there’s room for everyone at the dining table and kitchen bar.

This Sunriver vacation rental has a 55’ flat screen TV with internet and Blu-Ray player in the living room and a 50’ TV with internet and Blu-Ray player in the master bedroom, iHomes in all bedrooms, C/D player with iPhone/iPad/iPod connection, plenty of board games for all, and free wireless internet for your smart phones and laptops. The full-size, insulated garage also has a Ping-Pong table, pool table, and five adult bikes to explore the resort. Outside, this Sunriver vacation rental has a spacious, south facing, enclosed deck, a private new BullFrog hot tub, new gas grill and plenty of patio furniture to enjoy your meal or relax. Sunriver is in close proximity to skiing and snowboarding at Mt. Bachelor in the winter months, with the Deschutes River nearby for kayaking and rafting during the warmer months. Sunriver Resort has two swimming pools, tennis courts, parks, horse stables, and world-class golf courses.

However you choose to spend your vacation in Sunriver, you’ll thoroughly enjoy calling 16 Camas your home-away-from-home!

Includes complimentary SHARC passes and use of five bicycles.

Restrictions: reservations to be made, in advance, with the owners for mutually convenient dates between April 1, 2015, through April 1, 2016.

Non-smokers only please. No pets.

Mt. Hood Mountain Bike Expedition

Hi, I am Dan, an employee of OES, and I would like to invite you to a place I call Dan’s Disneyland. So you have skied Mt. Hood, you have hiked Mt. Hood, now it’s time to Mountain Bike Mt. Hood! Biking skills and cardio are needed for this event. Beginner bikers will bike thru Govt. Camp onto a lower trail and enjoy a beautiful trail at the base of Mt. Hood, with lunch provided at Mt. Hood Brewing Co. Intermediate riders will be shuttled for free to Timberline Lodge where we will pick up a trail. Welcome to Dan’s Disneyland, where helpful skills will be taught, frequent water and snack breaks are taken, and one of the most thrilling bike rides you have ever done will take place. Lunch will be provided here as well. If you’re not too tired, we’ll do it a second time!

A Basic Sausage Making Class with the Portland Meat Collective

Gift certificate for one person in a basic sausage-making class with the Portland Meat Collective.

Camas Davis is the founder of the Portland Meat Collective, the first meat collective in the United States. The goals of the collective are to put small farmers in direct contact with consumers in order to sell sustainably raised animals for food. She also teaches classes that educate people about how to butcher and use all parts of an animal. She has since started a nonprofit, the Meat Collective Alliance, which helps people in other states across the country begin their own collectives.

For three years, Camas and Kara Tambellini, Upper School English Teacher, have offered a Butchery Winterim class to OES students. The students visit farms, meet farmers, learn how to butcher chickens, ducks and an entire pig. Camas and Kara then rent commercial kitchen space and teach students how to prepare different cuts of meat. It’s a blast for the kids.

In April, 2013, The New York Times sent a reporter to travel with our group for a few days. The resulting story ran in their Sunday magazine.

Gift certificate can be redeemed for any scheduled sausage class that is not already sold out.

The Science of Cheese Making with Ms. Rozzi

Learn the art and science of making soft and semi-firm cheeses that you can then make at home and in your own kitchen! In this class for five, you will learn the basic principles of cheese making—preparing chèvre, mascarpone and ricotta. Samples of each cheese will be provided. Your take-home bag will have instructions, cheese making tips, recipes and necessary supplies.

No children under the age of 10. Class can be taught at OES or at a private residence. All materials will be provided for participants. For 21+ groups, wine and cheese pairing can be arranged. Gluten-Free or nut-free crackers can be provided upon request. Expires: July 2016.

Family Farm Visit—Wingham Farms

Enjoy an up-close-and-personal farm visit for up to six kids and adults to Wingham Farms (near Banks), the family farm of OES teacher Julie Sikkink and her husband, Daniel Lee (OES alumnus parents, Class of 2009 and 2013). Enjoy a picnic lunch made of farm-fresh ingredients, pet the farm animals, get a milking lesson and take home the makings of your dinner: eggs you collected, some garden produce, farm-grown and raised fruit preserves, and some fresh cheese made from the milk of our cows.

We would like the visit to be scheduled in advance for either a weekend in the spring, or any day in the summer after school gets out until August 20. At least one adult must come with the children on the visit. This package includes a basket with eggs and jam to take home.

**A Day in the Life of An Explorer with Tom Handel**

Spend a day learning to navigate on land and water like the pioneers of the west. Start at 9am at OES with Tom Handel and walk the depths of the wetlands searching for possible food sources (both plant and animal). Use a map and compass to find a buried treasure. Build a real canvas shelter to protect you from the elements. Cook your lunch over a hobo stove. Finally, paddle the Fanno creek wetlands in the OES canoes scouting for waterfowl and signs of the beaver. Finish the day charting your course and reflecting the experience in handmade journals. The day will end at 3pm.

This trip is ideal for students between 8-11 years of age (and parents too). Excursion to take place between 6/21/15 and 8/21/15. Group size is limited to 10.
