### SCHOOL NOTES

**(NEW)** US Picture Re-take Day
Please mark your calendar for US Picture Re-take Day: Monday, October 19th from 7:45 am - 12:30 pm. Questions? Contact Pat Freeman or Jean Verheggen.

Cereal Thursdays
The OES Upper School will again be supporting The Community Transitional School (TCTS) for homeless children in NE Portland with a monthly cereal drive. Please bring a box or two of cereal to the US Office to be delivered to TCTS. And thanks in advance for your support.

Family Information in Parent Portal
When you have a new email address, phone number or other important contact information, what’s the best way to let the school know about this important change? The OES Parent Portal ([parent.oes.edu](https://parent.oes.edu)) was specifically designed to help you communicate those changes to us. That includes emergency contacts you might wish to add or edit. To access this feature simply log in to the portal, go to the Family page and choose the item you wish to edit from the list of links on the left-hand side. Keeping these details up-to-date is the best way to make sure we have correct information to communicate with and assist our families.

Attendance REMINDER
Please remember to call or email in advance if your child is going to miss school or be late for any reason. Doing so will help us keep your child safe. Email [USattend](mailto:USattend) or call US Attendance Coordinator, Alison Nugent, at (503) 768-3169.

Recently, an email was sent to all US students about attendance expectations. We would like to repeat a few items:

- Please check-in with Alison, within the first 15 minutes, **if you have your open block FIRST**. (Unless you are a Senior).
  - **Check-in and out with Alison if you will be off campus for ANY part of the day (doctor appointment, open block, etc)**. Your teachers will send you back to me if you do not check-in with me FIRST. (This applies to ALL GRADE levels!!)
- **Parents need to call/email Alison** if their student will missing all/part of the school day (late, sick, doctors appointment, etc.). If I do not hear from them,
you will be marked UNexcused.

The Aussie's are Coming!
Each year we have the opportunity to host 2-3 students from the Golburn Valley Grammar School (GVGS) in Australia; in turn, hosts have the opportunity to travel to visit GVGS during our summer vacation. This past summer, seniors Sarah Wong and Hannah Park visited GVGS.

We have 3 Australian students who will be visiting us this fall (one girl, 16 year old Bridy, and two boys, 16 year old Michael and 15 year old Kelsey), from the weekend of November 7 thorough December 7. The visitors will take part in OES classes and after-school activities, and look forward to participating in American family life. Questions? Please contact Christina Meyerhoff, Director of Winterim and Off-campus Programming. Thank you!

Traffic & Parking This Year
The Lower School building project will have a significant impact on traffic and parking for the 2015-16 school year. Please be aware of the NEW morning drop-off and afternoon pick-up plans. While we have done our best to design traffic patterns to work as efficiently as possible this year, there is no doubt that campus traffic and parking will be more crowded.

Honeywell Instant Alert
As Winter fast approaches it is important to be ready for what nature throws our way. OES contracts with an emergency announcement calling service that will notify families of school delays and closures and other emergency’s. In order to receive these announcements, you must register with Honeywell Instant Alert. Learn more.

OES Food & Allergy Policy
In keeping with our Food and Allergy Policy, we have amended the title of our school program as “Allergy Aware.” While the title has changed, the practice of how we manage allergens in our dining halls and classrooms remains the same. Allergens will still be labeled in our dining halls, and special age-appropriate care and support will continue for all of our younger students. In collaboration with Bon Appetit, we will continue to ban nuts and nut products from all of our dining halls and classrooms.

I invite you to read through our policy: OES Food and Allergy Policy. Please contact OES Nurse, Elaine Elliott, with any questions or concerns (elliotte@oes.edu).

Dining Hall News
The OES dining hall has launched a new website, Cafe Bon Appetit. Now you can easily view the Weekly Menu.

Do you want to keep up on what’s happening in the OES dining hall? Are you interested in the Bon Appetit story or how Bon Appetit stumbled into sustainability? Check us out on Facebook at Bon Appetit @ OES.

(NEW) OES SKI TEAM

Save the date! Ski Team Racer and Parent Meeting.
There will be a meeting for downhill racers and their parents on Tuesday, October 20 in the Middle School Library. This meeting will be for alpine/downhill racing only (not freestyle). If you have any questions, please contact Rebecca Roberts, Ski Team Parent.
(NEW) OES FUND

The OES Fund is off to a great start thanks in large part to a team of dedicated volunteers from all three divisions of school. New this year, is the CLICK-A-THON which enables you to make your gift online well in advance of the phonathon on October 27th.

A brief Q&A about the OES Fund:
Where does my gift go? What does it support?

- **Mind the gap!** While tuition and fees cover 89% of our school’s budget, there is an approximate gap of $3,500 per student. The Fund ensures academic and co-curricular programs are available and exceptional. These funds are raised from our endowment and the auction but largely from contributions to the OES Fund.

- **Every student, every day.** Led by dedicated Aardvark parents, the OES Fund is the school’s most vital and fundamental fundraising effort, providing significant and immediate annual resources. Each year, your gift to the OES Fund impacts programming in the school’s P.E. program, visual and performing arts, science and libraries.

Our goal this year is $850,000. Please use your Power for Good and donate in support of OES today!

Questions? Contact: Ami Margolin Rome; (503) 416-9368 Telephone; (971) 400-0127 Mobile.

OES Fund Phonathon is coming soon! If you are able to volunteer at this fun event and help us call families, please click OES Fund Phonathon to sign up.

SPORTS LEADERSHIP CLASS

Sports Leadership Certification Class

Asking student-athletes to be leaders without preparing them for the responsibility is unfair. Often much is expected of our leaders, but seldom do we intentionally teach them the necessary skills in order for them to do the job effectively. The OES Leadership Certification class is designed to give Aardvark student-athletes with interest in leadership the same instruction, encouragement and practice that we give athletes before competition.

This class is recommended for all students, grades 9-11. We welcome back students who have previously taken the class, as the topics and discussions are always evolving. Students will have the opportunity to “Explore” what it takes to be a leader, “Connect” with their peers, “Commit” to leadership, and “Create” their own leadership style.

Based on the work of Jeff Janssen, M.S., and his publication “The Team Captain’s Leadership Manual,” members of the OES coaching staff and athletic department will each present on a variety of topics, from the power of leadership to the skills needed to become an effective leader. In this 10 week program of approximately 90 minute sessions, students will engage in conversations and exercises around these important concepts.

This class will meet on Monday evenings 6:30-8:00pm on the following dates on the OES campus. Dinner will be provided.

Cost is $30.00 to cover the price of the book.

For more information or to reserve a spot please contact Missy Smith, Associate Athletic Director.

Dates of the class are as follows:
Oct 28, Nov 2nd, 16th, Dec. 7th, Jan 4th, 20th, Feb 8th, 22nd March 14th, April 11th

TANNER SPORTS BASKETBALL TRAINING

OES athletics is proud to announce it has partnered with Tanner Sports Basketball Training and Consulting to bring you an opportunity to train and prepare for the winter basketball season. This amazing opportunity will happen right here on the OES campus. Dino Tanner is currently one of our own OES community members as both a coach and LS parent. He is the owner and CEO of Tanner Sports Basketball and has a reputation of professionalism, dedication and a proven record of developing overall basketball skills within the students he trains. Dino is considered a great basketball mind with a rich history in the game of basketball that started in his hometown of Los Angeles, CA at Inglewood HS (where he played alongside the NBA greats of Baron Davis and Paul...

11/2/2015 3:47 PM
Pierce). Dino also had a decorated career at Oregon State University as a point guard, followed by being drafted to the NBA Developmental League. The clinics are scheduled to take place Wednesdays (5:45-7:00 pm) and Fridays (3:20-4:45 pm), beginning Friday, October 2nd running through Friday, November 20, 2015. Sign up is for boys and girls ages 4th-12th grade. Dino will emphasize skill development for everyone from varsity level athletes to LS Recreational players.

For questions please contact Dino Tanner.

Tanner Sports Training will also be running a single day session during our no school day Oct. 9th from 9-12 in the OES Gym. The cost for this session will be $25.00 and will include pizza brought to you by OES Admissions. To sign up please email Missy Smith, Associate Athletic Director. Sign up is for boys and girls ages 4th-12th graders.

**JUNIOR PARENTS: GRAD PARTY**

Junior parents, Let’s “DREAM B16” [Dream Big] and put on a “B16” Grad Night Party for our Senior Class of 2016. In addition to working with a great group of parents, you will get a sneak peek into what your “soon to be senior” will enjoy at the very Top Secret Grad Night Party.

We need “B16” dreamers to help with decorations, gifts, food, communications, entertainment, organizing volunteers and more! Please consider sharing your talents, skills, imagination, and time. Interested? Contact 2016 Grad Party Co-Chairs, Nora Semonsen or Belinda Calabia.

**SERVICE LEARNING**

**CEREAL THURSDAYS!** This is a long-time Upper School tradition: helping to provide breakfast cereal for the kids at Community Transitional School for children experiencing homelessness.

Complete information about Service Learning in the Upper School is on the US Service Learning website. Bookmark it and refer to it frequently! What can parents do to help? Remind your child to stay alert and aware of what she or he needs to do, and support him or her in finding opportunities — starting with the SL Opportunities Page.

Questions? Contact Robin Schauffler, Service Learning Coordinator.

**By grade level, students should focus on different tasks this fall:**

**9th grade**: Work on the 20 exploratory OFF campus hours needed before January 2016, and look for ON campus opportunities. Any service-learning you have done over the summer—since finishing 8th grade—will count! Just fill out and turn in the Service-Learning Hours Reporting Form in Area 51.

**10th grade**: Finish those 20 OFF campus hours this semester (!!!), look for ON campus opportunities, and be thinking about what to do for Service Learning Projects.

**11th grade**: Look for ON campus opportunities, and be thinking about what to do for Service Learning Projects; it is wise to complete at least one Project before June 2016 (and if the 20 OFF campus hours are not complete, see Robin NOW!)

**12th grade**: This is it. Do not put off your hours or your Projects. June 2016 is sooner than you think.

**ALL STUDENTS**: Get signatures and turn in all those forms for any work you’ve done that hasn’t been reported yet. Need help with all this? SEE ROBIN.

**WINTERIM 2016**

[International trips for Winterim 2016](#) were announced last June. The full catalogue will be announced prior to Thanksgiving break.

In 2016, Winterim will run March 17-24. These dates overlap with spring break for Portland Public Schools and most other schools in the area. We realize that the misalignment of school spring breaks may create a challenge for some families, so we are considering offering a few Winterim courses during OES’s spring break, and allowing the students who participate in those courses to take their spring break during the PPS spring break week. If you would like to have this option, please contact the director of Winterim, Christina Meyerhoff, so that we can accurately assess the need.
There are several opportunities for seniors and their parents to contribute to the yearbook. Below is a description of these opportunities and their deadlines. We need to submit our pages to the publisher at certain intervals, so these deadlines are not flexible! Please let us know if you have any questions.

**US Yearbook Senior Deadlines:**

1. **MUG SHOTS:** December 4, 2015
2. **SENIOR PAGES:** January 14, 2016
3. **BABY PICTURES:** March 4, 2016
4. **PARENT ADS:** March 16, 2016

**MUG SHOTS:** Sometimes students submit a studio photo to be used in place of their school photo for the yearbook. This is not required. Sending a digital photo to me is the easiest way to submit an image, or we will scan the photo and return it to the student. **Deadline – December 4, 2015.**

**SENIOR PHOTO GUIDELINES**

- Head and shoulders only
- Print size – 3”X 3”
- Quality - 300 DPI

For more info, contact **Sue Jensen**, US Arts Faculty & Advisor to Yearbook

**COLLEGE COUNSELING**

(NEW) **Portland National College Fair** @ Oregon Convention Center
Friday, October 23 / 9:00-12:00 pm (school day)
Saturday, October 24 / 1:00-5:00 pm

If you are going to go to the College Fair, we urge you to pre-register at: www.gotomyncf.com. You will then print out a barcode that colleges can scan to enter your information on their mailing list. You can view participating colleges here.

**SENIORS:** Many seniors do not feel the need to attend the college fair. However, if you are still looking for college options or hope to talk with a representative who will be there, it might make sense to attend.

**JUNIORS:** We encourage you to consider attending the fair. If you are attending the fair for the first time, keep in mind that this is a very large event and you may want to go with a friend or family member. There will be many students, parents, and colleges participating. You might want to do some thinking ahead of time about how you want to approach the fair. For example, you could make a list of colleges of interest or think about questions you want to ask representatives.

**SOPHOMORES:** Each year a few sophomores attend this event. If the fair interests you, consider attending and read the advice above for juniors. If you are not interested at this stage, no worries, you will have another opportunity next fall.

(NEW) **Excellent Sheep Catlin Gabel Event**
Our friends at Catlin Gabel School have invited members of the OES community to join them for a college-related talk: **Monday, October 26 at 7:00 pm** in the Cabell Center (Catlin's Theater building) / “State of College Admission” talk featuring **William Deresiewicz**, author of *Excellent Sheep: The Miseducation of the American Elite and the Way to a Meaningful Life*. Upper school students and parents are encouraged to attend the event.

(NEW) **College Financial Aid Night**
There will be a **financial aid presentation** for parents on **Monday, November 16 at 7:00 pm** in the Great Hall. All parents are invited to this presentation on need- and merit-based financial aid with Anastacia Dillon, Director of Financial Aid, Lewis and Clark College and Paula Sutton, Director of College Counseling, OES.

**College Visits at OES**
College visits begin on Wednesday, September 16th at OES. Many colleges will visit OES this fall to meet with interested students. We encourage juniors and seniors to keep a close eye on the college visit schedule in Naviance (juniors will learn how to access and use Naviance during the retreat the first week of school). The schedule will be posted on bulletin boards in the Library and Great Hall and on the OES website (college counseling page). We will do our best to send juniors and seniors an...
email each week with the schedule for the upcoming two weeks. However, Naviance is the source of the most up-to-date schedule and will change throughout the fall as visits are added. Students are encouraged to sign up for visits on Naviance, which results in an automatic email reminder close to the date of the visit.

**PSAT at OES**
Sophomore and junior families, please note that the PSAT will be given the morning of Wednesday, October 14. Students do not need to register and will take the test at OES. We will send details in a later email, and early in the school year students will receive practice materials at school.

**Octoberim and Seniors**
Seniors have the opportunity to visit colleges during Octoberim (October 14-16). Those involved in sports should keep in mind that there may be athletic events scheduled during this time that limit your travel. On Wednesday and Thursday the college counselors will be available to assist students who stay on campus with college applications and essays.

**SAT/ACT Tests**
Seniors, please note the following test dates and registration deadlines. Enter the school code when you register (380915) and if you are taking the ACT, it is important to include the optional writing test. There is a late registration deadline for each test date that requires an additional fee. See the testing websites for additional information.
