Welcome
to
Open Classrooms 2015-2016
Tuesday, September 8th

Why?
We want children and parents to feel "at home" from the very first day. We hope a short visit the day before the BIG day will help everyone relax a bit and enjoy the new beginning.

Who?
All Lower School students and parents or other responsible adults. 
(An adult must accompany children).

Where?
Your child's classroom, specialists in the LS Library and in their own classrooms, Extended Care on the covered Walkway

When?
Tuesday, September 8th. Drop by between 9:00 and 11:00am.

What?
Meet your homeroom teacher and check out your new classroom. Visit specialist teachers in their classroom, and drop by the LS office to say hello!

What else?
Your classroom will probably still be a work-in-progress, so we hope you'll pardon our dust! Teachers will be happy to take a few minutes to chat with you informally and show you where to put your child’s belongings. This will be a busy morning, so please don't expect a teacher presentation or conference at this time. Back-to-School Night will be a time for teachers to share curriculum and expectations with parents.

Back-to-School Night Schedule:

- **Monday, September 21st**
  - Primary, 1st, 3rd & 5th Grades, 6:00 - 7:30pm
- **Thursday, September 24th**
  - Pre-K, Kindergarten, 2nd & 4th Grades, 6:00 - 7:30pm
