

# College Counseling Program

For more information, visit:  
[oes.edu/college](https://oes.edu/college)

The Oregon Episcopal School college counseling team works closely with students as they search for colleges in which they will thrive. Encouraging them to take ownership of the experience, we combine individualized advice with programs and resources designed to help students—and their families—navigate the search and application phases in a thoughtful manner.

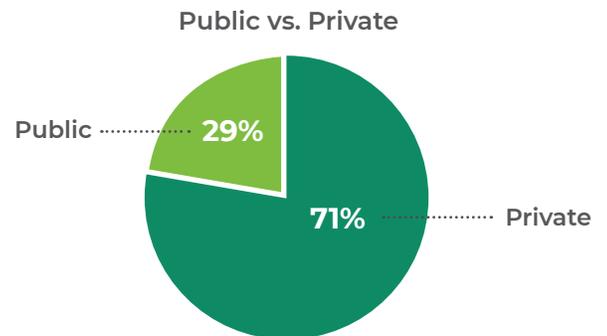

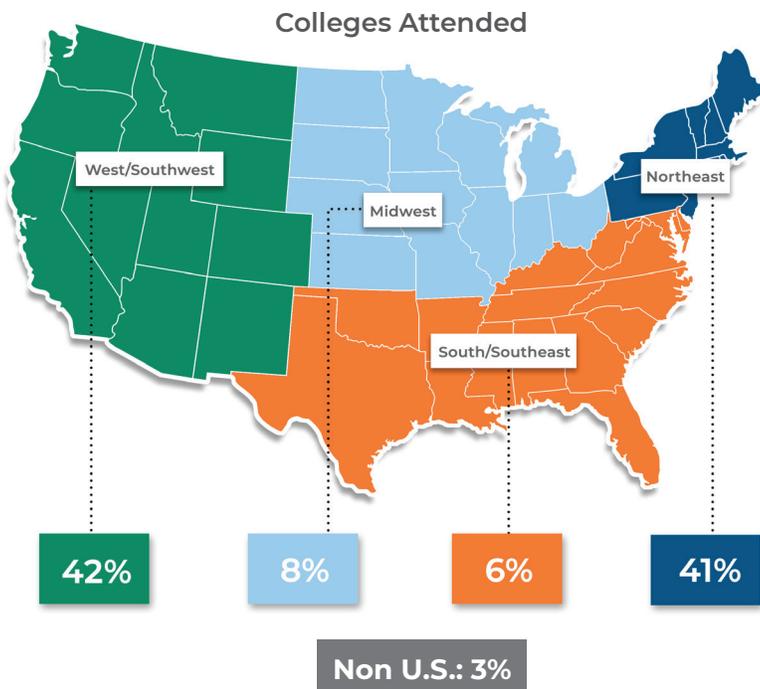

Throughout high school, we provide guidance, perspective, and timely information intended to demystify the process and encourage wise choices. Underpinning our approach is a desire to have students make the most of their high school experience in a healthy, balanced manner.

## COLLEGE NIGHTS FOR PARENTS

We offer workshops for parents, tailored by grade level, to learn about the college search process, and a presentation on financing college.

## COLLEGE ATTENDANCE

Graduates of OES attend an impressive array of colleges throughout the United States and internationally. OES has an excellent, well-established reputation with colleges across the country and hosts visits from over 130 college representatives in a typical year.
